MEMO

February 23, 1996

TO: [redacted] f NOW

FROM: [redacted]

RE: THREAT A[redacted]OW MEMBERS

At a little after 11 a.m. today I received a call from someone identifying himself as [redacted] He said that he had called the New York Times and the Washington Post to report that in 1970 several members of NOW had approach several faculty members and students at a (unamed) university and tried to "extort' sex. There are witnesses to attest to this, according to [redacted] After the solicitation was made and accepted by several parties, there ensued some sort of complications which resulted in a faculty member killing his/her sex partner. [redacted] remarks were quite irrational, accusatory, and threatening. **He said twice that he wanted to "blow us away."** He further tied in the "ILO" or International Labor Organization with both anti-and pro-feminist activities. He said that women representing labor interests would soon take over the feminist movement in America.

I kept him on the phone to get an address which he gave as 1828 L St. NW, Washington, D.C. 20036. His phone number is: [redacted] By checking for a phone number for the "ILO" I found that the address is for an office within the [redacted] concerning international labor issues. I called there and talked with [redacted] an [redacted] who supervised [redacted] said that [redacted] was a [redacted] with them for six months, a [redacted] American University, and had done good work for them but disappeared 10 days ago. A secretary gave me [redacted] home address as [redacted]

I immediately told [redacted] about the call and suggested that we lock the front door to the office for today and next week. I believe that we should report this to both the D.C. police and the FBI (since the threat was made across a state line). I would further suggest that we get a secured front door; I am concerned that we take security too lightly here. Remembering [redacted] behavior, I think that we must be more protective.

Results of Examinations:

Two stamps are affixed to the envelope designated Q1. One has a value of thirty-three cents, is self-adhesive, depicts the American flag and is dated 1999. The other is a one-cent moisture-activated stamp, dated 1996 and bearing the image of a bird. Perforation characteristics useful for comparison with other stamps, should any be recovered during your investigation, were observed in the edges of the latter stamp.

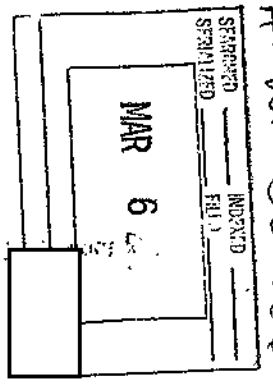

An ink jet process, available on numerous brand-name printers, was used to prepare the printed text on Q2. This process does not contain characteristics by which it may be associated with a specific printer. No other physical characteristics, such as significant indented writing or watermarks, which might indicate the source(s) of Q1 and Q2 were observed.

Information from Q1 and Q2 was searched through the Anonymous Letter File with negative results. Entries have been made to the file for future reference.

Observations for Investigative Assistance:

If handwriting comparisons with respect to the Q1 address are desired in the future, known writing in similar wording and format should be obtained from any logical suspects and submitted to the Laboratory. Blank envelopes may be used. The writer should not be allowed to see the questioned entries prior to the exemplars being taken and, upon completion, each should be removed from his/her view. A sufficient quantity of exemplars to account for natural variation in the writing should be obtained. In addition, comparable, contemporaneous undictated known writing from the same individual(s) would also be useful. Possible sources of suitable samples include bank transaction forms, business records and personal correspondence.

Examiner Name:	[redacted]	Date:	March 16, 2001
Unit:	Questioned Documents	Phone No.:	202-324-4430
Case ID No.:	9A-WF-221166	Lab No.:	010307016 JS DY

Results of Examinations:

The thirty-three-cent self-adhesive stamp, depicting the American flag and dated 1999, and the one-cent moisture-activated stamp, depicting a bird and dated 1996, which are affixed to Q3 correspond to those on the previously submitted Q1 (Laboratory number 010209002 JS DY). However, no perforation characteristics in common were observed between the moisture-activated stamps, indicating that they were probably not adjacent to one another on a coil.

An ink jet process was used to prepare the printing on Q4. Although the entries on Q2 (previously submitted under Laboratory number 010209002 JS DY) are also ink jet printing, this process does not contain characteristics by which it may be associated with other texts and/or a specific printer(s). No other physical characteristics, such as indented writing or watermarks, which might indicate the source(s) of Q3 and Q4, or suggest any connections with the previously examined Q1 and Q2, were observed.

Information in this matter was previously searched through the Anonymous Letter File and the appropriate entries made to the file (report dated February 28, 2001). An additional search pertaining to Q3 and Q4 yielded negative results.

A few characteristics in common were observed between the hand printed addresses on Q1 and Q3. However, these similarities are insufficient to support a definitive opinion whether the same writer(s) prepared them.

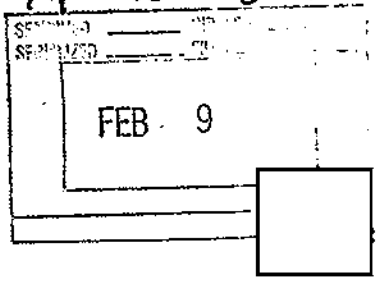

Observations for Investigative Assistance:

If future handwriting comparisons are desired, known writing similar in wording and format to Q1 and Q3 should be obtained from any logical suspects and submitted to the Laboratory. Blank envelopes may be used. The writer should not be allowed to see the questioned entries prior to the exemplars being taken and, upon completion, each should be removed from his/her view. A sufficient quantity of exemplars to account for natural variation in the writing should be obtained. In addition, comparable, contemporaneous undictated known writing from the same individual(s) would also be useful. Possible sources of suitable samples include bank transaction forms, business records and personal correspondence.

This Report is Furnished for ~~Official Use Only~~

Portions of the Q3 writing contain characteristics indicating possible distortion/disguise and the hand printing on Q4 is limited. Writing which has been distorted/disguised does not usually reflect the normal habits of the preparer. Therefore, it is unlikely that meaningful inferences can be drawn with respect to every entry on these specimens through handwriting comparisons.

Details: The National Organization for Women (NOW), 733 15th Street, N.W., Washington, D.C. has received two typewritten letters, postmarked 01/27/2001 (from Columbia, South Carolina) and 02/26/2001 (from Atlanta, Georgia), which are threatening in nature. It is believed that the letters were sent from the same person or group, as they are similar in nature and content.

In the letter postmarked 01/27/2001, the writer warns that NOW, "is offensive to Islam and [presumably, NOW membership] may be killed if you do not change or stop your operations." The letter gives a deadline of April 15th "to change". In the letter postmarked 02/26/2001, the writer refers to the "Sons of Islam" being outraged because NOW has not "heeded [previous] warnings". The letter further threatens that "You will soon become sacrifices to Allah!". Both letters end with "BANG!"

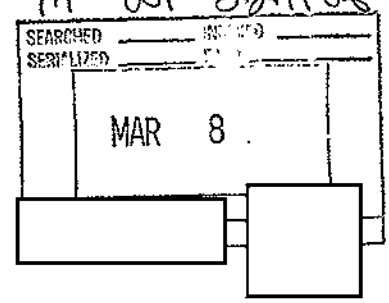

A check of FBI ACS revealed the above Minneapolis captioned case on the "Sons of Islam", also known as "King Fahd's Militia", in which a threatening letter was sent. Specific details of the investigation and the resulting forensic analysis of the letter could not be accessed by WFO. Therefore, it is

Answer your fucking phone you red neck cocksucker. Watch your back because we're going to be watching over you.". It should be noted that [redacted] phone answering system is thru US West and thus he did not have recording that we could take with us. However, he did save the message and played it back to me so that I could transcribe it. b6 b7C

At approx 1320 hours while [redacted] was at home a different male called and when the victim was answered the phone the caller said "[redacted]". Victim answered "Yes". After which the caller said "Your dead." and immediately hung up the phone. This conversation was not recorded but was told to me by the victim.

I spoke with several departments at the US West company and was informed that US West was unable to make copies of voice mail messages. I also spoke with LT [redacted] MPD Homicide, who told me that as long as the victim saved the message investigators would be able to record it from the victim's phone. b6 b7C

It should also be noted that while [redacted] is concerned for his safety, he is also concerned for his wife [redacted]

Synopsis: To provide update to case file. To advise of upcoming Emergency March for Women's Lives. To set lead at FBIHQ Laboratory.

Reference: 9A-WF-221166 Serial 1, 2, 5

Details: The National Organization for Women (NOW), 733 15th Street, NW, Washington, D.C. has received two typewritten letters, postmarked 01/27/2001 (from Columbia, South Carolina) and 02/26/2001 (from Atlanta, Georgia), which are threatening in nature. It is believed that the letters were sent from the same person or group, as they are similar in nature and content.

In the letter postmarked 01/27/2001, the writer warns that NOW, "is offensive to Islam and [presumably, NOW membership] may be killed if you do not change or stop your operations." The letter gives a deadline of April 15th "to change." In the letter postmarked 02/26/2001, the writer refers to the "Sons of Islam" being outraged because NOW has not "heeded [previous] warnings." The letter further threatens that "You will soon become sacrifices to Allah!" Both letters end with "BANG!"

Both letters were sent to the FBIHQ Laboratory for processing. The Questioned Document Unit completed its examinations on both letters and envelopes. Both letters are now

at the Latent Print Unit awaiting examination.

A check of FBI ACS revealed Minneapolis closed case 9A-MP-44584 referenced the "Sons of Islam." In the Minneapolis case, a threatening letter was sent to [redacted] after he acted as an [redacted] in a controversial case in which [redacted] WFO requested that Minneapolis review the case and provide copies of the relevant investigative information and reports. Minneapolis SA [redacted] provided all pertinent Serials to WFO. These serials indicate that [redacted] received a threatening letter on 12/26/1995. He also received two threatening phone calls. The letter was postmarked in St. Paul, MN on 12/22/1995. The letter was signed "King Fahd's Militia Sons of Islam Moslem League." Both the letter and envelope were processed for latent fingerprints with negative results. The case was closed on 7/30/1996 after all investigation had been completed. b6 b7C

ACS also revealed a reference to "Sons of Islam in America" in Miami casefile [redacted] which was not accessible by WFO. It was requested that Miami review this serial and provide any information regarding the "Sons of Islam in America" and a summary of the captioned Miami case. This lead is outstanding. b3 b7E

Lead is set at the Questioned Document Unit to compare the letter sent to [redacted] (9A-MP-44584, Lab#60307065 D F1) to the letters from 9A-WF-221166: Lab #010307016 JS DY & Lab #010209002 JS. b6 b7C

The Emergency March for Womens Lives, sponsored by NOW will be held on 4/22/2001 in Washington DC. Writer, SA [redacted] (USSS), SA [redacted] (INS), Detective [redacted] (Metro PD), and Detective [redacted] (USPP) will be working on 4/22/2001 in order to respond to any incidents which may occur. Detective [redacted] of the Metropolitan Police Department has been advised of captioned matter and the March. SA [redacted] of the United States Capitol Police has advised that USCP will have two Civil Disturbance Units and two Special Agents form their Intelligence branch on duty for the March. SA [redacted] and SA [redacted] have been in contact with [redacted] who [redacted] for the March. b6 b7C

The March and associated rally are being sponsored by the National Organization for Women. The purpose of the march is to host a "reproductive health fair," to remember women who have died from illegal abortions, and to support women's rights. Thousands of participants are expected to attend. Numerous counterdemonstrations are planned for the day of the march. The

march / demonstration is scheduled to begin at 11:00am at the Upper Senate Park. The participants will march from the Upper Senate Park to the Mall.

Several anti-abortion groups including "Rock for Life," and the "Christian Defense Coalition" are planning counterdemonstrations on the day of the march. They will stage at the North sidewalk of Constitution Avenue between 1st Street & Delaware Avenue NE. They will most likely protest at the US Supreme Court also. There also has been some discussion within the anarchist community regarding "doing an anarchist bloc" at the march. However, no concrete intelligence has been gathered to substantiate any action by the anarchists.

Title: UNSUB (S);
NATIONAL ORGANIZATION FOR WOMEN (NOW)
EXTORTION - AGGRAVATED OR OVERT THREATS
VCMO - VIC

Synopsis: Request Minneapolis (MP) review referenced MP case 1A-2 to decipher information located in the context of a threatening letter signature block and obtain details concerning [redacted] b6 b7C

Reference: 9A-MP-44584 Serials 1-9
9A-WF-221166 Serial 8

Details: WFO is investigating two threatening letters which were mailed to the National Organization for Women in Washington, DC in 01/2001 and 02/2001 from Columbia, South Carolina and Atlanta, Georgia which were similar in physical appearance and content. In the 02/2001 letter, reference is made to the "Sons of Islam."

MP referenced case 9A-MP-44584 (closed) also referenced the "Sons of Islam." [redacted] was involved as an [redacted] in a case where [redacted] b6 b7C On 12/12/1995, after his ruling [redacted] received two threatening telephone calls. On 12/26/1995, [redacted] received a threatening letter, which was signed, among other things, "Sons of Islam."

MP's case was closed on 07/30/1996 and a copy of the case has been received by WFO as a result of a 03/07/2001 lead

set by WFO (referenced WF case serail 8). The copy received by WFO contains a copy of the 12/26/1995 to [redacted] The copy appears to have been transmitted by facsimile to MP on 02/21/1996 by MPD and the faxed copy is retained in referenced MP case 1A-2. MP completed an FD-71 regarding the threatening letter on 12/26/1995 which is also included in the referenced MP case file. The FD-71 summary contains the exact written content of the letter except for a five letter acronym in the title of the signatory between "King Fahd's Militia" and "Sons of Islam." WFO is unable to decipher the acronym due to the poor quality of the copy, possibly due in part to its reproduction through the facsimile and photocopying processes. MP is requested to examine the faxed copy it has in 1A-2 to accurately decipher the five letter acronym. If MP's faxed copy in 1A-2 is unreadable, it is requested that MP seek the original evidence from MPD, or a early generation copy of the letter that may be included in the MPD case file. From the original, or an earlier generated copy of the original, MP should attempt to decipher the acronym. If the original evidence still exists at MPD, and they are willing to release the items, WFO will be willing to accept receipt of those items which MP has copies of in 1A-2. b6 b7C

Once the acronym has been accurately deciphered, MP should run logically queries of the acronym with the Minnesota Department of Public Safety, MPD and through public sources revealing individuals, groups or organizations utilizing the acronym within MP's territory.

WFO is additionally requesting that MP obtain from MPD complete information regarding the incident, or incidents, which lead to [redacted] WFO is specifically seeking the names of the victims, witnesses, suspects and/or complainants which initiated the incident. Additionally, the names included in any reporting of individuals, groups or organizations that may have publicly declared antipathy towards [redacted] decision to [redacted] or any individuals called to testify during, attending, initiating or disrupting the [redacted] would be pertinent. b6 b7C

The MPD case numbers regarding the threats made to [redacted] were MP95373057 and MP95383809. WFO is entrusting that [redacted] would have provided logical or suspected perpetrator information to MPD at the time he reported the incidents. Therefore, because there is no suspect information provided on the MPD reports, WFO will not request to have [redacted] contacted again at this time to obtain further information. b6 b7C

DEAR Political ENTITY OF N.O.W.,

I am your enemy! However, I'm told by the Bible and various anti-abortion Literature to Love my enemies. Believe me! I can't tell you how much it pains me to be a gentleman towards you. You have proven for over twelve years to be a very viable and powerful force in the arena of women's rights. I applaud you for your enthusiasism, Loyalty to cause, and your vaginal fortitude in purpose. It takes a lot of guts and objectivity to ingeniously put into motion the machine that will most certainly place womankind on the pedistal she so richly deserves.

Hail to you, Hail to you. you really have the oppressive male ego power structure of this country by the testicles. Yes, you really have something there. If the way to a man's heart use to be through his stomach. The way to break it is most certainly the ridding of the womb of the enslaving and painful weeds of the womb. Right?

Isn't the power that you now have thrilling?

But you know what? If you want an Amazonian style society you most certainly have to keep all

the female babies and do away with the male babies.

If you think you've got a hard fought for right that you won't give up, please read this comment ary!

We are just FIFTEEN years shy of the year 2000. We have a population that is being drastically reduced by the refusal of many to accept the responsibility to bear children. When this country approaches the 90's up to 2020. We will leave behind a Legasy of barrenous. This country will only have sparce population. The senior generation will of course die off of which I will be a member of in 2020. Who will be LEFT to run the country?

I know you all must hate sports so I'm sure you'll be happy when the baseball diamonds and football fields become empty.

I envision a country where the women are the Supreme Race, or sex. The man will be deligated to manual labor and only the prime studs will pregnate the women chosen to carry on the Supreme Sex. Male children will be kept to a minimum. Any extra male children will be terminated ~~and~~ and recycled into Food for the females.

You must be asking yourselves. Who is this male chauvinist pig? And what am I raining on your parade for?

I am a father that would have been and am to come. Fortunatly, I'm a "one" woman man. Who is marryed to the same for six years. We never had the luxury of having to use birth control or aborting a baby. My wife never exercized her right to have an abortion. This is because we are a hard luck fertility couple. We had problems for five years attempting to start a family. We come from big families; 9 children in hers and six in mine.

However, Praise the Lord! Been able to help her concieve and carry to term a baby. However, the baby came out still born. The doctor and his Female ultra sound tech. failed in all ways to save that baby. We even had a second doctor offer to take the baby C-SECTION. However, her insurance wouldn't pay two different doctors to do the same job. The one doctor dragged his heels. He stood my wife up when it came to delievery time. This little baby boy was perfect, except the placenta pooped out. The doctor had time to save him but he didn't bother.

My son was a Fighter. He was determined to Live. However those with power Let him down. The ultra-sound tech said our baby was abnormal but that wasn't true at all.

What does this have to do with me concerning you? My son is part of the peer group of babies never to be seen or heard from either, in this Life or the next.

MY SON IS THE LIL'IST REBEL! He is the Leader of those souls of those babies. My wife is pregnant with our next child. But this is not a prison sentence for her to stay home.

You see, I'm a blue collar auto mechanic who's out of work. But I'm not out to lunch! My wife is a white collar Legal word processor who makes three times as much as I do. I'm not jealous of her as I was before the baby. Because I accepted the fact that she can earn more than me. I'm very proud of her, but I tell you my day is coming so I'm not worried. Some say I'm pussy whipped. Some say my wife has it made. I'm a house-husband, errand-boy, and chauffer. We are born-again Christians, but just a little worn from this world's wear and tear.

We have completed our mourning over our Loss. We have blamed society and God and ourselves. We have forgiven the doctor and maybe the ultra-sound Tech. But, we will never forget. My wife goes through all the same emotions as a woman who experianced an abortion. The only difference is that my wife can face herself in the mirror and know she's blame-Less. The abortionated woman on the other hand experiances doom, and suicidal-guilt trips that if she doesn't get a Spiritual healing from Jesus Christ, she will most certainly pay for her "right" for her abortion in Hell. The only way for her to be able to face her self in the end is to accept Christ as her personal Savior N.O.W.!

Listen I know you all are adamant about your right to have an abortion. However, out of my heart felt conviction and in the compassion of human kindness I must prove to you that abortion is not the answer.

We must ask ourselves this question. Do we want to gain political power from the sacrifice of an innocent life who was guilty of only beginning its journey towards this life? Or can we better

achieve our objectives in requiring that pregnancies be kept in the relm of marriage? This doesnot mean a woman is sentensed to stay at home.

What I mean is this. to regulate the problem of promiscuity. Especially with teenagers, not to the procrastination of a 3rd trimester pregnancy. But rather through the education to the ignorant of the reproductive system. How many young men out there know what they force a girl to do when they pregnate the young Lady?

Abortion is a life and death decision, which has very life long damaging ramifications. To the mother, the unborn baby, and ultimatly to society as a whole.

It all boils down to respect. Respect of ones own body, respect of the other person, respect for the shear priceless value of life, and respect for one anothers office in life. What is further in need of respect is that anything that we as individuals do or say. changes, impresses, and stabilizes everyone and every thing around us.

The pebble in the pond theory. If you permitt me please be open-minded enough to read my

proposals in this matter. Though I'm a man, I'm born of woman, I'm brother to four sisters, and I have an intimate respect and understanding of my wife and her body.

First off, this society is coming dangerously close to Nazist type of definition of life. That only those that are strong enough, wealthy enough, or healthy enough can truely experiance the quality of life.

To stop unwanted pregnancies. The woman and the man must understand. That after a woman menstrates around day 14 to day 16 she ovulates. Even if she doesn't use the pill or he doesn't use a prophylactyte. Because if they limit themselves to day 4 to day 8 for intercourse it is less likely that a pregnancy should occur.

You may say to yourselves that I don't have any right to tell others what to do. How ever even though the right for women to have an abortion is legal because of the 1973 Supreme Court ruling. The Supreme Court, a flesh and blood panel of mortals who subjagated the SUPREME, SOVEREIGN AND DIVINE POWER of GOD and handed a virtual "Loaded Gun" to every woman in this country. I kid you NOT, I DO FEAR

your power. I do feel castrated, I will be completely humble about this whole affair.

However, I too was a baby and even though I'm a man of thirty years. I feel a kinship with all those little soals that just began their journey down the pike. Til "open season" was declared on them. My only excuse for not being physically sympathetic with your cause is because I was born male and not female. However had I been born female. I'd gladly carry to term, happy and healthy babies. Of course I'd avail myself of the opportunity of having an epidural when delievery time came arround. I have first hand knowledge on how effective the epidural can be.

You really want to know how all this mess started? IT is because of man. I can't Lie, my mother's father married and divorced 7 times. Some times, if you want to keep him straight, you just need to smack him in the head once in a while. Slap him up side the head. Just a little vaginal Fourtitude is all it takes. The "loaded Gun" that man abused to his selfish ambitions is divorce. Divorce has done more

damage in this country since before the 1900's to "split" the nucleus of this society, Namely the family. More than any atom splitting nuclear bomb dropped on this country could ever hope to devastate.

When you take one hundred years divided by 4 or 5. For the generations at ages 20—25, than times 4 or 5 ten times, then take that total times the population divided by two. You will come up with the figure of how many families have been shattered and duplicated. Because of divorce.

This kind of impulsive irresponsibility on the part of both partners has certainly diluted and stained the sanctity and Divinely formed institution of marriage to the approximate state of bathroom tissue floating in the camode. But, I don't have such twisted estimations. My wife and I will celebrate our sixth wedding anniversary. We met through a pen pal club, and Long ago at the tender age of ten I swore a vow to myself that I would only have relations with the woman that I was to marry. No female was going to bed with me and not pay for it!

I kid you not never before my wife ~~D~~ had I any affair with any other woman.

Far as I'm concern, not one of you can hold a candle to her.

Let us truely look at the big picture. This country is shy of the year 2000 by Less than FIFTEEN years. You must ask yourselves with the power that your attired in. What kind of Legasy would we champions of womens rights leave to our daughters if not sons when they become the inaugeral generation to start 2000 from day one?

2000 will be a new year, new decade, new century, and new millinewm. This will be no ordinary new year. IT will be a new mountain to climb, the new wave to ~~pass~~ sail over, new challenges to face, and new heights to ~~rize~~ rize up to. Do you have what it takes? Do you have the backbone? Do you have the far sighted vision to realize that even if you never heard of GOD or Christians, that this country is going to need every man, woman and generation she can produce?

I'm a former Navy man. I swore to an oath to protect this country

from enemies foriegn and domestic. We should not hold back generations to come simply because our own ambitions will be slightly deferred. Or that we dont have enough food to go arround or space for them to grow in. There is still plenty of space available, and food to go arround. I came from a family of six besides my parents. My dad was a hard working man. We may not have been rich but we had enough to eat and a roof over our heads. I'm not ashamed of any of it.

As far as a pregnancy that is out of an illegitimate affair goes. The baby should not be killed to cover up the lovers lack of self control. Remember David and Bathsheba? Remember their son King Solomon? He was a bastard wasn't He? But he was the wisest King of Israel. He even offered to cut a baby in two until its real mother was willing to give it up. I Thought you'd like that. I just wonder what makes a woman want to sacrifice her flesh and blood for personal gain and ambition? I'm completely devastated at the shadow of the thought.

N.O.W. I don't want you to be my enemies. I want to propose alternatives and challenges that I feel you'll as a group find profitable and rewarding. But. I WILL DO ALL THAT I CAN TO DIS-ARM YOU OF THIS SO CALLED RIGHT TO ABORTION. THOUGH I HAVE AN HONORABLE DISCHARGE. MY OATH STILL STANDS. I HOPE FOR YOUR SAKES YOU CONSIDER MY PROPOSALS.

I picture a sanctuary style of institution. Something opposite of a correctional facility. An institution unlike what you have ever seen before. An institution with the woman in mind. Not an orphanage, and not a military school. One in which the woman can have her baby and pursue her career with out having to worry about the rearing and care of her child. One in which her child is still hers. The institution is only her servant.

We are more than aware of the horrible fact that there is rampant sex going arround with no regard for either gender. We are all afraid of the effects that herpes and VD will

have among us. We also are alarmed at the violence being perpetrated by man, against woman and against children. We are well aware of the impending holocaust that threatens our everyday lives.

And with decline of Living standards at ~~Least~~ Least with the ones we adhere to if not what we feel others should opt for. We are all too affraid to even concieve Let alone carry to term. But you see, we must strive more because of these ever present dangers to insure our country at Least to your own gender has ever opportunity to carry on. If you want the men that you never had then raise your sons the way you want them to be.

Here is how this Sanctuary type Institution works. Let's hypothetically say. A young woman seeks to be ~~married~~ married in order to have children or that through some consentful affair she becomes pregnant. Remember JFK saying Ask not what your country can do for you. But Ask what you can do for your country.

With the above note in mind. Let's say the couple lacks the money, time, or capability to

sufficiently raise the baby. N.O.W. we all have some amount of Patriotism in our hearts. The Flag in my heart will continue to FLy at HALF/MAST til all those Littleones to come have a place of their own. War, is a terriable reality no one likes to sacrifice. I tell you today I would sacrifice my own life right here and N.O.W. if it would atone for the unborn. If it would wake you up. If it would save their Little Lives.

However we must never fail to fathom the deep reality that as long as we Fight Like cats and dogs. Having a tug of war on the future viability of our future generations that we will only give opportunity for our real enemies to take over this Land.

With this sanctuary. A joint Private Business and government sub sidize effort. where the women can entrust her government paid for pregnancy of her special bundle of joy. She will not give up her rights to, nor will she orphan her baby, she can have an open door policy with regards to the baby. Of course with the

adversity or an unhealthy and unsafe world. The controlled security and harmonious balance of a Sanctuary type institution will always draw back the child and the mother will most surely feel more at ease with such an Institution than with any of today's primitive and rudimentary day care centers.

This Sanctuary facility will have it's own staff of institution mothers and fathers. This place will have a safe and conducive environment for the child to grow in. THIS WOULD BE THE ULTIMATE WAY TO INSURE THE QUALITY OF THE LIFE YOUR WANTING TO ACHIEVE.

Activity would be wholesome and creative. The ultimate in education would be provided. Before any adolesent seeks a relationship. The children will be raised as brothers and sisters. So the chance of a casual fling to develop would be prevented through this and the use of salt-peterin the diet. I went to a co-ed boot-camp. But as long as children know they are brothers and sisters and are taught to respect the sanctity of each one's body then

they will know that. Any affair would be disrespectful to the sanctuary. Controling of the children should be on a "reward type basis" And instruction should be done through example and praise should be given when the children achieve what is expected of them.

Now, this system of course will have certain prices to go along with it. It could be limited to those who work for those particular companies or government agencies to have them or their children enrolled. She the mother could seek her career with virtual freedom. She could on a sliding scale compensate the institution for their nurturing in the most conducive environment. The child that the mother is wanting and there could be a deferment of compensation if the mother has or is between advancing from one pay scale to another. This can be affordable by all women. Now of course for Private Industry and the Government to get involved. This means that when the child comes of age that the child, Lets say a young adult of 20 after which that child has the level

of education of graduate students. They out of honor to the private Industry and Government and gratitude of their patriotic mothers serve in what ever capacity and what ever office that is open or promised to them. Sort of an R.O.T.C. I guarantee you the military wants quality people to serve in them. To appropiatly facilitate the right person for the right job the armed forces with their expertise in assessing the apptitude of their enlistments and commisioned officers. Can encourage and enhance the nuntured quality of their prospective candidates by providing the necessary fundamental educational techniques to insure themselves as well as the mothers of the great service. That is jointly being accomplished through the mother when she for love of her country entrusts her baby to that safe and secure sanctuary and with the defensive posture of Private Industry and government to protect her baby while she endeavors in her career she can then rest assured that she certainly made the right choice in canning her baby.

Pregnancy Rights are allready here. It makes sense for a Sanctuary style Institution to exist and to be

available to all women and men. Especially if they can't afford to do so them selves. This of course is a long term commitment. IT shouldn't replace the Family or the sacriment of Marriage. But it will be truely a viable alternative to the abortion clinics. Even if the woman can't keep it. or IF she does a "suicide-pregnancy" where she carries the baby as close to term as possible even if it means her life. I'm sure such a mother would choose the best option that she had at the time.

Besides. IF the technique of "SUCTION-ABORTIONS" was pioneered in China and adopted over here. I FEEL IT IS BETTER IF WE WOULD AVAIL OUR SELVES OF THE EQUALLY PROVEN CHINESE TECHNIQUE OF ACUPUNCTURE TYPE DELIEVERY. A VIRTUAL PAIN FREE, DRUG FREE WIDE AWAKE ALTERNATIVE FOR THE MOTHER TO THOROUGHLY IN A RELAXED STATE ENJOY AND PARTICIPATE IN THE BIRTH PROCESS. THIS IS 100 TIMES MORE TOLERABLE THAN LAMAZE BECAUSE IT IS "PAIN-FREE".

BECAUSE LET ME ILLUSTRATE

WHAT you all face, like any other first degree murderer who is on death row that is waiting for execution. I have, inside knowledge that your political entity is in jepordy or danger. IF you don't wisely opt for more humaine alternatives to abortion. IF you obstinately cling to this Legal but unholy right Let me be the first to warn you of what you are facing.

IF this is your freedom, you'll have to pay with your lives if necessary. However, enough is enough I want this whole affair to be peacably resolved. Because it requires the same amount of premeditate thought to pull a trigger to commit First degree Murder as it does for a woman to decide to have an abortion.

A six week old Fetus is NO Less a person than a 26 year old woman! IF a battered and abused woman can seek refuge in a safe house Then the same opportunity for safety and security should be likewise afforded to the fetus. I dont think the garbage can is the refuge that the baby needs

Murder may require criminal intent. But destroying the fetus also requires

the distructive intent to terminate the pregnancy for gain, Leggening a financial burden, covering up one's indiscretions, and finally, putting to Limits one estimation of viability My son was said to be abnormal. But he proved the doctor wrong. DEAD WRONG! HE WAS DEAD PERFECT.

You as a group really ought to Follow up on your abortionated recruits and find out what they want or feel since their decisions. You owe it at Least to yourselves if you at Least wanting any credibility as a political entity.

NOW, when you take one woman ~~that~~ that opts for an abortion she is choosing to commit Legal "UNPREMEDITATED FELONEOUS FIRST DEGEE MURDER. MURDER IS MURDER THERE IS NO WAY TO WHITE WASH MURDER

THE SUPREME COURT IS IN TROUBLE ENOUGH WITH THE ALMIGHTY FATHER, IF YOU ARE ATHEISTIC OR AGNOSTIC I ~~GR~~ GUARANTEE IF YOU PROCRASTINATE TO YOUR OWN DESTRUCTION. YOU WILL GET YOUR JUST DESERTS. FREEDOM IS NOT THE SAME AS OBSTINATION, AND ANY RIGHT, PRIVILEGE, OR CAUSE REQUIRES

BLOOD TO CEMENT THEM. EVERY VALIANT SOLDIER, SAILOR, AIRMEN, MARINES AND WOMAN IN THIS COUNTRIES HISTORY OF BATTLES AND WARS. THEY HAVE ALL DIED AND SACRIFICED MUCH FOR ~~THE~~ OUR GREAT COUNTRY.

THE SUPREME COURT has broken the ~~FIFTH~~ FIFTH COMMANDMENT OF GOD by taking a DIVINE CHOICE OF LIFE and death and giving it to a group of yourselves if not an entire gender of this population. THE BIBLE was written way long before the constitution. Thus the constitution only reflects the fundamental values already founded in Gods word.

Many will say there must be a separation of church and state. This is true. ALL mankind and womankinds power and authority comes from GOD. THERE IS NO OTHER HIGHER AUTHORITY THAN GOD. THE ONLY ONE TO POSSESS THE KEYS TO LIFE AND DEATH IS JESUS CHRIST. SO YOU SEE IF JUST LESS THAN A MONTH LATER AFTER CHRISTMAS THAT ~~YOU~~ IS CHRIST'S BIRTHDAY. You choose to celebrate your victorious anniversary. Your Holiday of murder I guarantee you you will celebrate it in HELL!

THE CHURCH IS THE BRIDE OF CHRIST IF THE TWO ENTITYS MIXED IT'S THE STATE IS A SERVANT OF GOD ULTIMATE ADULTRY

So I hope I'm driving my point home to your brains that violence and cruelty knows no gender. If you can scream rape if a letcherous slob attacks you then you'd better see what violation of environment and bodily harm you do to the fetus. You can turn your heads away and justify this innocent slaughter but when Judgement day comes you will see the NATION THAT NEVER WAS AND THAT NATION OF BABIES WILL BE HANDED THEIR BLOOD BOUGHT INDICTMENT OF FIRST DEGREE GENERATION GENOCIDE AND YOUR LOT WILL BE THE LAKE OF FIRE FOR ETERNITY

So when one woman chooses it it's murder. When a million women choose it. IT'S GENERATIONAL GENOCIDE AND you weaken this country terribly in doing so.

This is my campaign on behalf of those who can't defend themselves to try to turn your views around.

Because as it stands now, THE SUPREME COURT, THE ENTITY OF NOW, and all the abortion doctors and their contributing staff are all guilty of

(23)

THE INDICTMENT OF FIRST DEGREE GENERATIONAL GENOCIDE WORSE THAN WHAT HITLER DID FOR THE JEWS. AND WE (THE ANTI-ABORTIONISTS) ARE UP AGAINST A VERY VIABLE AND FORMIDABLE FOE THAT BEING THE PREVIOUSLY NAME GROUP OF PEOPLES.

Let me be the first to proclaim to you that I AM NOT AFFRAID OF YOU, THE SUPREME COURT AND THE ABORTION DOCTORS. THERE IS A SOCIETY OUT THERE THAT UNANIMOUSLY CONCURRS WITH MY INDICTMENT AGAINST YOU ALL. THIS IS ONE SIN/CRIME THAT TRANSVERSES THE ENTIRE SPECTRUM OF AMERICAN SOCIETY. So I HEREBY FORMALLY WARN YOU THAT IF WE CAN NOT STOP YOU LEGALLY. THAT IF THE SUPREME COURT DOESN'T PUT A "STOP PAYMENT" ON THE "BLANK CHECK" THAT YOUR GROUPS HAVE DRAWN ON THE FUTURE OF OUR MOST NATURAL AND RE-NEWABLE RESOURSE. IF YOU DON'T GIVE UP YOUR "LOADED GUN" OF your so called right to abortion. THEN WE, THIS NEW but RIGHTEOUS CONFEDERACY

WILL MARCH YOU DOWN

(24)

AND TRAMPLE YOU UNDER OUR FEET.

I SWARE TO YOU ON MY SON'S ASHES "THE LILIST REBEL" AND IN HONOR OF MY GRANDFATHER AND ALL THOSE THAT DIED FOR THIS COUNTRY THAT I WILL FIGHT YOU WITH EVERY CELL AND FIBER IN MY BODY. I WILL NOT COWER OR REST OR STOP THIS CAMPAIGN UNTIL YOU STOP THE INNOCENT SLAUGHTER. THE WORD UNBORN WAS NO MORE EXCLUDED FROM THE 1700's DOCUMENT OF THE U.S. CONSTITUTION THAN WOMEN ARE EXCLUDED FROM THE WORD MANKIND. I AM AN AMERICAN FIGHTING MAN SWORN TO PROTECT GOD AND COUNTRY. SO BEWARE! TWISTED SISTERS CHANGE FOR THE BEST OR BE TURNED INTO DUST.

I will Face all challanges and counter ~~co~~ INDICTMENTS AGAINST ME. But Lay a knife to my little red, white, and Blue compatriots and I will revolt all the remaining offspring against you.

I will cement my blood to my INDICTMENT AGAINST YOU ALL IF NECESSARY.

BE ADVISED that I have written to all NEWS MEDIA, THE POPE, AND THE PRESIDENT.

Marchers Back Legal Abortions

By Joseph Novitski
Washington Post Staff Writer

Several thousand women, some with their husbands and children, walked up and down the long blocks of Massachusetts Avenue between Fulton Street NW and the British Embassy for three hours yesterday to demonstrate their support for legal abortions.

They did their boldest shouting at the halfway point on their march route, just outside the Apostolic Delegation to the United States at 3339 Massachusetts Ave. NW, where some five red and black clad "priests" were also in position to counter Catholic bishops' arguments against the recent federal debate over abortions.

Two, four, six, eight, separate the Church and State, Sara Leitch, a 53-year-old secretary from Greensburg, Pa., chanted as each group of marchers came up the hill to the legation building.

Miss Keith was a history leader for three years at South Moreland High School near Greensburg, and the platform shoe on her enthusiastic right foot rose from the climb like a wedge on the chart of that year's prize three-story mansion of light brown stone.

There was no sign from inside the apostolic delegation chancery that anyone was aware of the noise, nor was there any movement behind the curtained windows that will have to open on the front door when the marchers reach the Vatican Embassy.

The sign of the march,

Synopsis: To request that captioned case be closed.

Details: On March 22, 2000, [redacted] of Membership for the National Organization for Women (NOW), 1000 16th Street, NW, Suite 700, Washington DC 20036 (202) 628-8669 [redacted] contacted SA [redacted] and reported the receipt of a threatening Electronic mail. The World March of Women was held in Washington DC on October 15, 2000 with no reported problems and no incidents of violence. The purpose of the March was to demand an end to poverty and violence against women. NOW was the primary organizer for the March.

This case closure request is based on the following reasons: 1) There are no suspects in this case, 2) The only viable lead was that all of the threats came from the University of Central Oklahoma, the staff of which have been uncooperative with the FBI, 3) The most recent threats were received on 4/7/2000; no additional threats have been received, 4) The March of Women was held on 10/15/2000 and no incidents occurred.
